Dear Warren,

Following the success of the 15<sup>th</sup> Conference of Commonwealth Education Ministers at the end of October, I would like to say thank you for your invaluable help during the event.

Both yours and Stuart's priceless advice, input and expertise made the conference one to remember for all who took part. We have had excellent feedback from the Commonwealth Secretary-General, Commonwealth Ministers and other delegates about the hard work and effort all the staff put into the event.

Once again, thank you for all of your efforts and I look forward to working with you again in the near future.

Yours Sincerely,

Belinda Perkins
