Dear Hannah

3RD WORLD YOUTH CONGRESS 2005

I am writing to thank you and all from Can Factory who were involved with the 3rd World Youth Congress. It was our stated intention to put on the most inspiring event of its kind for young people taking place anywhere in the world in 2005, and the excellent feedback we have received from the participants, who came from 120 countries, indicates that we may reasonably claim that success.

The success of the event centred on the outstanding support we received from so many people across Scotland, the UK and around the world who gave so much time to help us put together a truly groundbreaking and inspirational programme. As part of the post congress legacy material, the CD Rom pack produced by the Can Factory really gave a great insight into the event and has been extremely well received by all the delegates and stakeholders.

I would like to extend my thanks for all your hard work, effort and commitment and I would be most grateful if you could pass on to everyone who had a hand in your input to this most successful event.

Yours sincerely

Alice Finlayson
